Re: Section 3 Block            Lot

This is to state that I \_\_\_\_\_ am the owner of the premises located at \_\_\_\_\_ for which a driveway permit is being requested.

I hereby certify that I am aware of the Village Ordinance relating to the restrictions on the total maximum width as follows:

Driveways located in Residence zones shall not exceed 19'- 0" except that within three (3) feet of the street line the width may taper to a maximum width of twenty-two (22) feet.

I further certify that I have personally measured the driveway and hereby state that the new work will comply in **all** respects to the Village Code. Any work installed contrary to the Code will be removed and replaced at my sole expense.

I make this certification under penalty of law knowing that the Village of Munsey Park will rely on this information for accuracy and compliance with applicable laws and regulations.
